Elizabeth,

Thank you for conferring with me this morning and afternoon about the United States' privilege log. Pursuant to that phone call, attached is a draft of the motion to compel the production of documents that points out the deficiencies in the privilege log. Please correct the deficiencies pointed out by the draft by the close of business on Tuesday, April 1, 2014. If this matter has not been resolved by then, the Defendants will be filing a motion to compel.

Regards,
David
